 $^{^{*}}$ The Marriner family are being greedy. Andrew's 70th birthday is on 25th February, while 15th April is the centenary of father Neville's birth.

^{**} A sad footnote – On 2nd October 1999, after a six-year struggle with cancer, Georg Tintner jumped to his death from the balcony of his 11th-storey Halifax [Canada] apartment.

^{***} Peter Cornelius appears twice on this year's list. He was born on 24th December in 1824 and died on 26th October 1874
