There are two more anniversaries this year, but dates cannot be found for them — CHRISTINA PLUHAR and RODERICK WILLIAMS are 60.

¹ Greed is rampant in this year's list. Xaver Scharwenka was included on last year's list as well as this, in which case it was for the 100th anniversary of his death.

² Reinhold Glière featured on last year's list also. In his case it was for the 150th anniversary of his birth.

³ James King has it both ways. We celebrate 100 years since his birth (22 May), and also remember that he died 20 years ago (20 November).

⁴ Fibich isn't satisfied with this being 175 years since his birth (21 December). He also died 125 years ago (15 October).

⁵ Alessandro Scarlatti is less renowned than his son Domenico.

⁶ Johann Strauss II is another one who likes being on our list two years in succession. 2024 was for the 125th anniversary of his death.
